

IOSA Operator Alert 4

Issue date:1-FEB-2018

IOSA General Presentation for Operators

Effective date: 1-FEB-2018

1. Reason for Alert

IOSA has been asked in several instances to provide operators with some guidance material on the IOSA program in a presentation format to be used by operators to foster the IOSA program both internally and externally and also as means of internal training.

For these reasons we have created a brief IOSA presentation that will be made available on our website ([here](#)) and will be regularly updated.

2. Required Action

Any operator may download and use this presentation for the purposes as described in item above.

With Best Regards,
