

Operator Alert 32

Issue date: 12-MAY-2023

Risk-Based IOSA Workshops

Effective date: 12-MAY-2023

Reason for Issue

This Alert is to inform Operators of a series of regional in-person Risk-Based IOSA workshops taking place in 2023.

This Alert replaces Operator Alert 31 dated Mar 14, 2023, by providing an updated list of workshops (still open and newly added ones).

Key Objectives

The workshops provide an introduction to the Risk-Based IOSA concept, process and related impact on operators.

Target audience

These workshops are open to airline staff and regulators and address quality, safety, and Internal Evaluation Program (IEP) managers as well as internal auditors.

Prerequisites

It is recommended for participants to have prior experience with the IOSA program.

Workshop Topics

- Risk-based IOSA
- Major Program Changes
- Audit Planning and Preparation
- Audit Conduct
- Maturity Assessment
- Audit reporting and follow up
- Trial Audit Feedback
- Quality Assurance

Risk-Based IOSA Workshops

Effective date: 12-MAY-2023

How to Join the Workshop

Using either the direct links or QR codes below, please submit a request to the registration form.

Please note that submitting a response to the Cairo and Kigali workshop registration forms will **automatically** register you for the event.

For the Baku, Istanbul, and Buenos Aires workshops, upon submission of your request, you will receive an email notification of your registration status. If your registration to a workshop could not be accepted due to space availability, we encourage you to consider registering for another workshop.

The method of acceptance will be based on availability and aimed at maximizing the attendance of different stakeholders.

Note: There will be no remote access to the workshops.
